

PRODUCT INFORMATION SHEET

Standard White 2Ply Centrefeed

PR7151

An absorbent and versatile 2ply 150m centrefeed roll. Made from recycled fibres, the perfect cost effective product for tackling light duty wiping and spillages.

- Rolls are designed with a removable core, meaning that once opened, the paper inside remains clean and hygienic prior to use and can be used with a centrefeed dispenser.
- Excels at light duty cleaning, wiping and drying tasks.
- Absorbent 2ply, ideal for cleaning all types of spillages.
- Rolls measure 175mm in width and 150m in length
- Made using quality recycled fibres and is FSC Certified.
- Manufactured in the UK, with CHSA accreditation.

Quick guide to core removal

Find the perforated spiral line inside the core

Using your thumbs, pull apart either side to tear the core

Reach inside the roll and pull the paper out

This product is manufactured according to CHSA Soft Tissue Standard. Please note PRISTINE reserves the right to alter specifications without notice.

By buying these paper products you help take care of the world's forests
