

Room Care R5.1-plus

Spring air freshener – concentrate

Description

Concentrated non-aerosol spray air freshener with pink blossom fragrance. To be used only with Divermite/DQFM dosing and dilution system. Also available in fully recyclable mono-material pouch.

Key properties

- Freshens and deodorises
- Light, delicate and fresh fragrance
- Safe on colourfast, washable fabrics/furnishings
- Unique, patented O.N.T. air neutralising technology alters malodour molecules
- Uses unique and environmental friendly pouch technology

Benefits

- Neutralises malodour molecules, enhancing the effect of the perfume.
- Leaves a long-lasting pleasant scent behind.
- Supports total room freshness when used alongside Room Care cleaning products.
- Colour and alphanumeric coded to prevent application mistakes.

Use instructions

Small rooms: Spray once or twice upwards into the centre of the room.

Large rooms: Spray proportionally more upwards into the centre of the room.

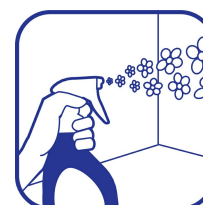

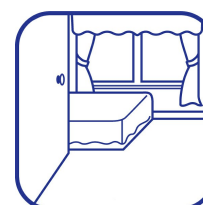

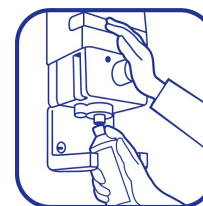

For more detailed application, please refer to Room Care R5.1-plus mini guide.

Dosage*

When using with Divermite Room Care dosing unit, dose 15-30 ml (5-10%) Room Care R5.1-plus into keyed bottle filled with 300ml of cold water. Securely screw-on the spray trigger, ensure the nozzle is closed, shake gently to mix.

When using with DQFM dilution dispenser unit, fill the Room Care R5.1 keyed spray bottle to the fill level mark directly from the DQFM dispenser. Securely screw-on the spray trigger.

**This dosage is according to optimal conditions, recommendations may vary, please consult with your Diversey representative for directions.*

Room Care R5.1-plus
