

Thick Bleach

Cleanline® Thick Bleach is a viscous bleach that gives greater clinging power for total protection against germs including MRSA and E.coli. Particularly effective on hard surfaces like toilets and washrooms.

- Viscous formula uniformly coats and clings to the surface for more thorough extended cleaning action.
- Suitable for cleaning and deodorising drains, floors, toilets, waste pipes.
- Effective at killing 99.999% of germs including MRSA and E. coli. and will prevent the build-up of slime and fungi with regular use.
- Independently tested to European Standard Test Method BS EN 1276 (2% Dilution, 5 minute contact time).
- Regular use will help prevent limescale build-up where bacteria breed.
- 750ml Thick Bleach is simple and easy to apply with an angled neck bottle reaches right under the toilet rim.
