

Stain & Odour Eliminator

Cleanline® Eco Stain & Odour Eliminator is a highly effective stain and odour neutraliser that uses unique application-specific beneficial bacteria to offer a long-term approach to odour control and degradation of organic material.

- The application-specific beneficial bacteria offers innovative and effective long-term approach to odour control and degradation of organic material.
- Safe and effective for use on carpets, upholstery, fabrics and flooring where soiling such as body fluids and spilt beverages have been absorbed into the fabric.
- Remains active on the surface and continues to work long after the product is applied helping to prevent the reoccurrence of odours and stains.
- Contains highly active, micro-organisms that penetrate deep into the surface and breaks down dirt and degrades odours at the source.
- Contains a fresh, pleasant deodorising fragrance.
- Ideal for use in care homes, hospitals and schools.

CODE AND CASE SIZE:

CL4049 - 5 Litre (supplied in case of 4)

CL4051 - 1 Litre (supplied in case of 6)

CL9013 - Empty **T13** labelled trigger spray bottle

PRODUCT INFORMATION:

Appearance: White Liquid

Odour: Characteristic

pH as supplied: 8-10

Packaging: 5L Bottle made from 40% recycled polymer

QUALITY ASSURANCE:

ISSUE DATE: 29/07/2021

RECOMMENDED DILUTION: Dilute accordingly to task and soiling/odour level.

For general cleaning/ maintenance use:	Dilute up to 1 in 20 parts water	Bucket: Add 50ml per 1 litre of water.
		Trigger spray bottle: Add 50ml to 600ml of water.
For heavy duty odour treatment (including removal of black moulds, fat & urine) use product neat.		

ENSURE YOU ARE WEARING RECOMMENDED PERSONAL PROTECTIVE EQUIPMENT (PPE) AND HAVE THE CORRECT EQUIPMENT FOR THIS TASK.

INSTRUCTIONS FOR USE

Odour treatment: Remove any loose debris/soiling from surface and follow the appropriate cleaning & disinfection method prior to odour treatment. Where possible apply solution to the affected area immediately after contamination occurs. Ensure total coverage of contaminated area. Blot surface with a clean paper towel, do not rinse. Re-apply to surface and allow to air dry. If malodours persist, repeat process every 4 hours over a 24 hour period.

PRO TIP: CAN BE APPLIED NEAT TO SURFACES TO HELP REMOVE BLACK MOULDS, FAT, URINE ETC. FROM TILED WALL AND FLOOR AREAS.
