

Model - 21804BE Bed Extension

The bed extension enables the bed to be extended by 22cm/9".

Fits users from 196 to 216cm/6'5" to 7'1".

The extension bracket fits to the foot section while the Mattress Infill and longer Side Rails ensure a safe caring environment.

Assembly Instructions

Model 21804BE Mattress Extension is supplied with 2 hand levers (A).

To fit the mattress extension to the mattress support, insert the arms (A) into the foot end of the mattress support (B).

Fit the mattress support with bed extension fitted to the footboard.

Secure in place by tightening the hand levers.
